YMCA of Greater Charlotte Youth Flag Football Family Playbook Spring 2024

Our flag football league is a recreational league for youth athletes ages 4-17. This league is played throughout the YMCA branches in a regional model, and will focus on practices that encourage athletes to love their sport as well as develop the fundamental skills needed to play the game.

The Y league is a true recreational flag football program where we promote at least 50% playing time in games for our athletes throughout the season.

- **What does the regional model consist of?**
 - Our association’s regional model promotes a wide variety of teams, as well as exciting experiences to compete, grow, and improve skills! Athletes will have games and practices at the branches within their region, throughout the season. As well as the opportunity to compete against other YMCAs within our association footprint.
- **What are the different regions?**

Does the YMCA have flag football for athletes for Kindergarteners?

Yes- Our Kindergartener age division are for our youngest athletes ranging from 4-5 years old. Athletes in this age group will learn the best parts of flag football through our Practice-Play model. Kindergartener teams will meet with their volunteer coaches and team one day a week on Saturday throughout the season. Teams will spend their time together practicing skills, working as team, and having fun, followed by elements of playing real games! There are no weekday meets for this players unless communicated out specifically from the league. Making your family's experience easy and fun!

○ What are the meeting days and times for each age group?

- Kindergarten division will only meet on Saturday for their weekly Practice/Play session.
- 1st grade through High school Practices may take place Monday-Friday between 5:00-8:00pm for 55 minutes.
- 1st grade through High school Games will take place on Saturdays between 8:00am-7:00pm.

○ Will practices and games be held at the branch I register at?

- Practices and games will be held at YMCA facilities where field space is available or at CMS facilities where agreements currently exist within your region. Please note: If there are not enough teams in certain age divisions, teams may be scheduled to interleague with teams within the association and play at other YMCA branches that are not in your region.
- We will do our best to create a consistent practice and game schedule for each team.
- Practice and game schedules will be released in advance of the start of the season via our YMCA's league platform Playerspace.

○ How will practice and game locations be determined?

- Practice locations will be determined by the region you sign up for. Practices can be held at any of the branches within the region, but will be consistent throughout the season.
- Game locations will also be determined by the region you sign up for. Some branches may only hold a certain age group on game day due to field sizes, others may offer multiple age groups.
- Although we do our best to accommodate all teams, it is possible that teams within our older age divisions may interleague with neighboring regions, requiring travel between surrounding branches for games throughout the season.
- Team practice times are primarily dependent on the volunteer coaches' availability and preference. In order to guarantee your practice day and time we encourage you to sign up to COACH!

○ I have a special request of what team I would like to be on, can I communicate that to the league director?

- All special requests for our Spring season must be submitted by **Saturday February 19th**
- Requests can be in the form of preferences for *one friend requests, one coach requests, or one day of the week you CANNOT practice.*
- In order to have the best chance to get your request please make sure you and any friends or requested coaches are registered before the request deadline. We encourage families to put enter request preferences in at the time of registration.
- Although we do our best please understand that not all requests may be honored for a variety of reasons, but we make every effort to accommodate as many as possible.

- **PLAYERSPACE: How will I see league and schedule details for my athlete's team?**
 - Our YMCA partners with PlayerSpace, a sports league management and communication platform that connects players, parents, coaches and sports directors.

We will use PlayerSpace as our primary communication platform for sharing game schedules, team rosters, cancellations and all other important information. Prior to the start of the season, parents will receive account login information from the Sports Director within your respective region. When you receive your family account login information email, be sure to activate your account to receive communication about the upcoming season.

PlayerSpace, allows athletes and families:

- Convenient 24/7 online access to league information such as schedules, practice times and team information
- Emails and texts with updates on important information including schedule changes and cancellations
- The ability to post and share pictures and videos on your team's page!
