

DREAMING INTO THE FUTURE

Dr. Martin Luther King, Jr. once said:

“An individual has not started living until he can rise above the narrow confines of his individualistic concerns to the broader concerns of all humanity.”

The McCrorey YMCA honors Dr. King’s legacy every day, taking an active role in strengthening our community and giving kids, teens and adults the opportunity to build brighter futures through healthy mind, body and spirit.

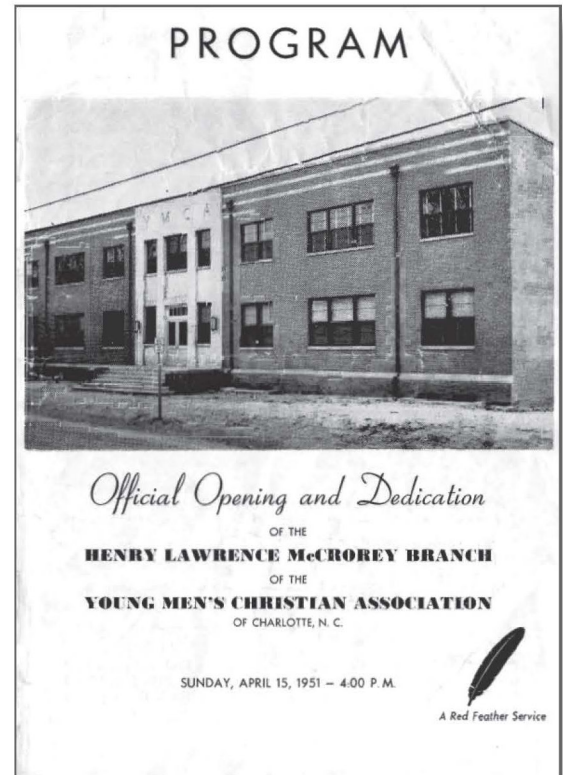

ABOUT THE McCROREY FAMILY YMCA & THE EVENT

Founded in 1936 as the Second Street YMCA, The McCrorey YMCA is the second oldest YMCA in Charlotte and was the first African-American YMCA in the area. We have a strong tradition of delivering programs, services and events that build relationships and enhance quality of life in Charlotte's Northwest Corridor.

The MLK Holiday Breakfast is The McCrorey YMCA's cornerstone event.

Rich with tradition, it is the area's largest MLK Day observance and has grown to welcome more than 1500 attendees.

Since 1993, the annual breakfast has engaged a diverse audience of Charlotteans who come together to honor Dr. King's spirit of service. The breakfast features nationally acclaimed keynote speakers who interact and promote thoughtful, socially-conscious discussion among business professionals, civic leaders and service-minded citizens.

IMPACT ON THE NORTHWEST CORRIDOR

Together with our sponsors, members, volunteers and community partners,
The McCrorey YMCA strives to

strengthen our dynamic, culturally vibrant and historic community.

Your investment in this event empowers multiple initiatives across our neighborhood
for programs like:

- Enrichment and leadership development for 600 teens participating in youth programs
- Scholarships for literacy-based afterschool and summer camp programs that serve 300 children annually
- Financial Assistance that supports 1/3 of the 750 senior members of our community who participate in programs that help prevent isolation by bringing them together to share in common interests like water exercise, walking, wellness workshops, creative arts, travel excursions and Christian fellowship.
- Access to chronic disease prevention programs that help participants overcome health challenges and provide tools and resources which aid in the adoption of healthy lifestyles.
