

# LEARNING TO SAVE LIVES

## Certifying and Hiring Lifeguards

The Y has partnered with the American Red Cross to offer a premier Lifeguard Training Course that sets the industry standard. This program includes training for Lifeguards in controlled water (pool) environments and includes certifications in Lifeguard Training, CPR Professional for Lifeguards and First Aid for Lifeguards. In addition to teaching candidates how to prevent and respond to aquatic emergencies, the American Red Cross Lifeguard Training program is also a great way for candidates to gain knowledge about leadership and responsibility, a LIFELONG gift – especially for young adults just getting their first job.
