SUMMER DAY CAMP SESSION DATES

JUNE 1 - AUGUST 28

SUMMER DAY CAMP SESSION TIMES

We know how busy parents can be! Dropping off and picking up your child on time can be a source of stress, but don't worry — we're flexible! Drop off your child as early as 7:30 AM and pick them up as late as 6:00 PM for additional playtime. Camps for ages 2 – 6 do not have early drop-off or late pick-up.

Please see the camp description for specific camp-based curriculum start and end times and page 17 for more details about extended care options.

KEEPING CAMPERS SAFE

Because of our low staff-to-camper ratio, staff members are able to form close bonds with your camper — safety is our top priority. All camp staff are trained in CPR and First Aid. Our maximum ratios are:

1:8 for Preschool (2 years old) 1:10 for Preschool (3–5 years old) – 5th grade 1:12 for Rising 6th – 12th grade

SUMMER PLANS CHANGE?

We understand that things can come up and schedules may not go as planned. If you need to transfer your camper's spot to another session or remove them from a program, please give us at least eight days' notice.

Visit the Sales & Service desk or email morrisoncamps@ymcacharlotte.org

FINANCIAL ASSISTANCE

To ensure every child has the chance to experience the magic of day camp, rate reductions are available to YMCA of Greater Charlotte members and program participants based on household income.

PREMIUM SPECIALTY CAMPS Take Summer Fun to the Next Level

With professionally-led programs and competition-level coaching, the Morrison Family YMCA gives your camper the chance to experience a summer like never before. Kids have a large variety of specialized camp options to choose from, can participate in activities that fuel their passions and will learn from Charlotte's leading specialty camp counselors and staff.

GYMNASTICS CAMPS

On summer days, you can feel an unmistakable energy inside our gymnastics center. Gymnastics campers of all skill-levels cheer each other on as they balance, swing and flip to improve their skills in Olympic events.

Experienced gymnastics counselors trained by collegiate and national team gymnasts refine campers' techniques and provide progressive instruction on the vault, bars, beam and floor.

If your camper hopes to make it as an Olympian one day, wants to improve their strength, agility and balance for another sport or they simply want to try gymnastics for the first time, they'll find the perfect camp here.

SPORTS & FITNESS

During the summer, the Morrison Family YMCA becomes a place of transformation for our sports and fitness campers. Guided by experienced athletes, collegiate-level players and fitness enthusiasts, camp participants work tirelessly to reach their goals and perform at their highest potential.

Combining our modern facilities boasting the latest weight training, cardio and cross-training equipment with our low counselor-to-camper ratio maximizes each athlete's efforts. Counselors give thorough and productive instruction to each camper as they work to improve their positional play, sports-specific skillset, physical strength, agility and stamina.

If your child wants to focus on getting more fit, becoming better at one sport or they're still trying to find an activity they love, we have amazing sports and fitness camps for everyone.

VISUAL ARTS

Professional teaching artists unleash inspiration and creativity in our visual arts campers. Our authentic art studio includes 10 potter's wheels, two kilns, easels and other high-quality art equipment.

Degreed and experienced artists empower every camper to take risks and unlock their imagination. Through intentionally-planned artistic exercises, kids are encouraged to think differently and see things from fresh and unique perspectives.

Novice artists and young Picassos alike will find a visual arts camp they'll absolutely love.

THEATRE

Our theatre campers learn to transport audiences to exciting new worlds. Through coaching from professionals, young actors find their voices, increase their confidence and work as a team to captivate the crowd with popular productions.

Experienced performers focus on emboldening campers on stage and off. In addition to stage presence and line delivery, our campers also become better public speakers, critical thinkers and more empathetic individuals.

Whether your child is new to the stage or is on the road to Broadway, they'll play an important part in theatre camp!

DANCE

As they glide across the dance floor in a purpose-built studio, dance campers feel the freedom of self-expression through movement. The rhythm of the music flowing from the powerful sound system is matched by each dancer as they move cohesively and bring their dance to life.

Professional teaching artists with degrees in dance education or performance diligently observe each camper's movements. They provide encouragement and make valuable technical adjustments to take them to the next level.

From beginners to lifelong dancers, we meticulously plan dance camp programs to teach every child.
