

Y-KIDS | LOWE'S YMCA

WELCOME! We are so glad you are considering joining our community. The Y is a great place for families, and we hope to see your child soon in Y-Kids!

DROP-IN CHILDCARE

- Members with children on their membership may use drop-in childcare for up to 2 hours daily.
- We provide care for children 2 months to 11 years old (ages vary by location and hours).
- Parents/caregivers must remain on site when using drop-in childcare.
- Some locations require a reservation and others operate a first-come, first-serve basis.

KIDS' MORNING/AFTERNOON/NIGHT OUT

- Several of our branches offer drop-off programs lasting up to four hours.
- Parents/caregivers are able to leave the facility when utilizing Kids' Morning/Afternoon/Night Out programs.
- Each of these fee-based programs have limited capacity and require registration in advance.

POLICIES

Safety and the well-being of children is our top priority. Please be aware of the following policies:

- We follow safe sleep guidelines. A copy of our safe sleep policy will be provided to families with infants under the age of 1 during their first visit, and families must sign that they have read our guidelines.
- Strollers and car seats are not allowed in our classrooms.
- Short-term, drop-in child care centers are not licensed and regulated by the NCDHHS Division of Child Development and Early Education. Based on state guidelines, children are not able to participate in unlicensed childcare programs at the YMCA for more than four hours per day.
- Additional policies are posted in our Y-Kids check-in area, including our wellness and nut-free facility guidelines.
