

FUTURE LIFEGUARD: So, You Just Want to Get Certified...

We understand, even though this is the best job around for the best company around...

We will still let you pay us to obtain your lifeguard certification even if you choose to work elsewhere. No hard feelings, we'll win you over eventually! Follow the steps below

1. Review the course options (they are listed for several days, it's a total of a 34 hour course). Schedule a swim test with our team for the course of your choice, just email/call them directly.

2. Email Marissa.cheek@ymcacharlotte.org with your course selection and the following:

- a. Full Name b. Email c. Phone # d. Date of Birth

If you have any questions or concerns along the way, email Marissa.cheek@ymcacharlotte.org

Our Lifeguard Training Courses do fill up quickly, so don't wait! If you're interested and available for all the days and times listed, RSVP as soon as you can! Don't pay for the course until we have you officially enrolled in the course, or have directions to do so.

I've RSVP'd, Now What!? You will be sent online training links. Complete all trainings online prior to the first day of class. These online trainings are lengthy (yet thrilling and educational) and should be started several days before the in-person training class begins. If at any point in the process, we did win you over, and you want to work at The Y, please reach out to:

Terri.Albright@ymcacharlotte.org

Marissa.cheek@ymcacharlotte.org

Some of the benefits of working for the Y include:

- Free certification training (\$300)
- YMCA of Greater Charlotte membership (our facilities really are amazing!)
- YMCA of Greater Charlotte program discounts (our programs rock!)
