CLINICS

Youth sports instructional clinics are the best way to introduce children to a new sport and teach them the skills, rules, and play of the game. Clinics are geared to help athletes develop sport-specific skills that will help them to lead up to participation in a class or league setting. Clinics focus on skills, making friends, and having fun.

The YMCA of Greater Charlotte offers a Practice-Play Model for all of our U-6 Soccer participants. The Practice-Play Model is modeled after the US Youth Soccer's Play-Practice-Play initiative that puts emphasis on the developmental needs of the player first. This model was designed in partnership with the Charlotte Eagles and is designed to focus on the development of the player through drills and practices that encourage individual balls skills and game-like situations as much as possible. All coaches will receive a practice-play curriculum that serves as an age specific coaching handbook with practice plans, drills and games for each week.

All U-6 team's weekly practice will take place on Saturdays directly before the team's weekly game in a 25 minute practice - 35 minute game play format, the Practice-Play Model. The intention is to help encourage and develop individual skills that then translate directly into a game environment. Coaches will work together to teach and officiate during the game play section. Coaches will be able to continually help teach rules in a safe and supportive environment.

Important Program Details

Player Age Eligibility: All players must be under the age of the league they are registering for based on the start of the season (Sep 9 - Soccer, Sep 21 Flag Football). Players may age up at their parents' discretion. However, the YMCA of Greater Charlotte does not permit players to age down.

Equipment: All balls, cones, and flags will be provided to coaches and players during scheduled practice and game times. Cleats and shin guards are required for all soccer participants and must be provided by parents. Cleats are not mandatory but are strongly encouraged for all flag participants.

U-14+ League Play: All U-14, U-16 and U-18 leagues have the potential to play in partnership with other YMCA branches and community partners. Games for these age groups could take place at a variety of area South Charlotte schools, churches and branches and are not limited to game play at the Harris YMCA.

Refund Policy: Our refund policy is 100% back if cancelled prior to start of the season (9/9/19 for Soccer and 9/21/19 for Flag.) No refunds (full or partial) will be granted once the season has begun. Additionally, we do not refund for weather related cancellations as weather conditions serve as an environmental factor which cannot be controlled or predicted by the YMCA of Greater Charlotte.

Cancellation/Make-ups & Inclement Weather: In order to ensure the safety of our participants, weather is of great consideration on both practice days and game days. Any cancellation decisions made for practices and/or games will be sent out via text, email, or both through PlayerSpace, as well as broadcasted on the Harris YMCA Sports Hotline – 704 716 6880. Practices cancelled due to weather will not be rescheduled by the YMCA.
