PRACTICE-PLAY MODEL

The Practice-Play Model is a grassroots philosophy that places the needs of the player first. Our goal through the implementation of this program is to place the players in as many game-like situations as possible. Our goal is to encourage a fun atmosphere of excitement and new experiences. Our practice-play model follows a very easy progression of: warm-up, teaching a skill, playing a small game with that skill. At the end of the practice portion, all teams will play a scrimmage against another U6 team.

(5 minutes) Fun first!

Spend your first five minutes of practice fostering an environment of cooperation, trust, and fun through interactive games that get the players ready for practice. Our curriculum provides one game for each practice.

(15-20 minutes) Learn second!

Transition from your warmup in to the practice portion of your time with your players. Take this opportunity to encourage players as they are challenged to develop through different exercises laid out in the curriculum. Players should experience success and improvement as a part of their growth individually. Your job as the coach is to keep their spirits high while also providing short instruction. Their greatest teacher, will be the experiences they encounter through the drills and games.

(30-35 minutes) Play third-Scrimmage!

Always finish your day with an opportunity for your players to play and compete! Give instruction that teaches the rules of the game and helps them to participate while avoiding any advice related to strategy or tactics. The goal of this time would be that the players enjoy their time while learning the rules of the game. Close up your day with 1-2 short takeaways. These coaching points should teach the game and tie the character word of the day to a relevant situation each child can remember

Rules of the Scrimmage

Ball: Size 5 (27.5')

Players Equipment: Athletic clothing, jersey, and gymnasium footwear

Team Size: (5 v 5) - Minimum of 4 players of team to play

Game Time: 2, 10 minute halves (Halftime will be 3 minute)

In the spirit of the YMCA, each player is expected to play an equal amount of time during each game and must play in both halves. Unless a team only has 4 or fewer players, NO player can play the entire game.

1. Coach(s) positioning: Coaches will be allowed on the court to help officiate and run the game as well as coach players.
3. Substitutions and Rotations: Will be made in at every 5 minute mark unless an injury is present.
4. Start and Re-Start of play: Away team starts with the ball. When the ball goes out of play, the coach will play a ball back onto the playing court to the team who did not play the ball out.
5. Score: No score or standings will be kept.
8. Set Defense: Man to man defense
9. Penalty Kicks: No penalty kicks in this age group.
10. Teams will NOT switch sides at half-time in this age group.
12. Teams and spectators will sit on opposite sides of the court as teams.
13. For the safety of the players, absolutely no jewelry or gum allowed

Elements of a Team Practice and Play Session

- **Practice Goals:** The goals of the practice are your main focus.
- **Team Circle:** The team circle time that kicks off each practice is an opportunity for you to cover key character development concepts with your players. The Y's four core values—caring, honesty, respect, and responsibility—can all be related to many situations that arise while playing basketball. For example, playing cooperatively with teammates shows that you care about them.
- **Tactics and Skills:** Tactics are knowing what to do during the game (and when to do it), and they require an understanding of the problems faced by each team during the game and how those problems can be solved. Ways to maintain possession of the ball would be tactics. Skills are the physical skills traditionally taught, such as passing or shooting the ball or controlling the ball during play.
- **Rules and Traditions:** You will teach the rules of the sport to young children gradually, as part of playing games and learning skills. Traditions are those unwritten rules that players follow to be courteous and safe, such as raising their hand when they foul someone or playing cooperatively with the others on the team.
- **Fitness Concepts:** Even young children can understand some simple concepts about health and fitness, such as the idea that exercise strengthens your heart.

After the ball has gone around the circle one time, have it passed to you.</p> <p>SAY: "We play basketball to be more healthy and fit, but it also teaches us to become good teammates and good people. This season we will talk about four qualities of a good person and teammate: caring, honesty, respect, and responsibility. Our team needs to have all of these qualities in our practices and games.</p> <p>Remember, we can't be a team without each of you doing your part. Let's pass the ball to each other and say one of the care values before you pass. This will help you remember to use all four of the qualities so we can work together."</p>	N/A

Three-to-Five-Second Box-Out Drill

This is a fundamental basketball drill used to teach beginners how to box out and challenge advanced players to hold their stance against bigger, stronger opponents. Have two players, one offensive and one defensive, line up in a rebounding stance. Have the defensive player hold their box out for three to five seconds as the offensive player moves around and tries to get the rebound. Each rebound should be secured by the defensive player in order to switch players.

INDIVIDUAL

This video teaches the identifiers what to look for in the defense and how to score based on defensive positioning. Once this is explained to the players, have them line up; the coach plays the defensive call. Start in the paint and work backward for more difficulty.

Limit players to dribbling three times or fewer before passing (modify the number of dribbles as necessary). Call modified double dribble and traveling violations.

For example, a player can stop and start toward the basket three times before a double dribble violation is called, and a player can take four steps without dribbling the ball before a traveling violation is called.

If a violation occurs, the team's opponent takes a turn; also call modified foul violations. This allows the defender to touch the ball, but not the opponent. If a violation occurs, the opponent gets the ball. Remove modifications to challenge the players.

5 mins.	Team Circle: Responsibility	<p>Gather players into a circle. Stand in the center of the circle with a ball. Ask players to call to you and raise their hand if they are in a good position for a pass. Dribble the ball inside the circle, but do not pass to anyone.</p> <p>Continue for about one minute.</p> <p>SAY: "Did I share the ball with anyone?"</p> <p>Wait for their responses.</p> <p>SAY: "Do you think that is good teamwork? What is good teamwork?"</p> <p>Listen to their responses. Repeat the activity, but this time pass to players who call and raise their hands.</p> <p>SAY: "Teamwork is when all players are working together, not just keeping the ball to themselves. Responsible team members get in position to receive a good pass. They don't always pass to the same person. And they always work hard."</p>	N/A

5 mins.	Three-to-Five-Second Box-Out Drill	This is a fundamental basketball drill used to teach beginners how to box out and challenge advanced players to hold their stance against bigger, stronger opponents. Have two players, one offensive and one defensive, line up in a rebounding stance. Have the defensive player hold their box out for three to five seconds as the offensive player moves around and tries to get the rebound. Each rebound should be secured by the defensive player in order to switch players.	 https://sportsedtv.co/3CRKtd8
5 mins.	Chair Crossover	INDIVIDUAL Have the players line up on the baseline. This drill teaches how to effectively complete several combo and crossover moves with a chair. Cones can replace chairs, as necessary.	 https://sportsedtv.co/37SMnMC
10 mins.	Dribble Pull Up Shooting	INDIVIDUAL Set up cones around the key, mid-range, or three-point line depending on difficulty. Have the players attack each cone with two to three dribbles and pull up to shoot. Players should start in a line at a designated spot on the court.	 https://sportsedtv.co/3m5sFp8
10 mins.	Offensive Teamwork Game	THREE VERSUS THREE, SHORT-COURT GAME Limit players to dribbling three times or fewer before passing (modify the number of dribbles as necessary). Call modified double dribble and traveling violations. For example, a player can stop and start toward the basket three times before a double dribble violation is called, and a player can take four steps without dribbling the ball before a traveling violation is called. If a violation occurs, the team's opponent takes a turn; also call modified foul violations. This allows the defender to touch the ball, but not the opponent. If a violation occurs, the opponent gets the ball. Remove modifications to challenge the players.	N/A

5 mins.	Team Circle: Caring	<p>Gather players into a group near the basket. Have a ball ready. Ask a child in the group to pass to you. Shoot at the basket and miss completely. Retrieve the ball and make a bad pass.</p> <p>SAY: "That shot wasn't very good, was it?"</p> <p>How about that pass? Those were mistakes. What could you say to your teammates when they make mistakes?"</p> <p>Listen to their responses.</p> <p>SAY: "What could you say to make your teammate feel better? What could you say to make them feel worse?"</p> <p>Listen to their responses. Have players change the unsupportive, negative comments to positive ones.</p> <p>SAY: "It's very important to forgive mistakes and be understanding of others, just as you would want them to be of you. Making mistakes is part of learning. Saying something that makes your teammates feel better shows you care about them."</p>	N/A
