STEELE CREEK YMCA PRESCHOOL

2020-2021 SCHOOL YEAR

On behalf of the Steele Creek YMCA, we are so excited to serve your family through our Preschool Program. Our core mission is to provide a nurturing, engaging, and creative environment where children can blossom and grow academically, emotionally, socially, and physically. Our preschool program is located at Central Steele Creek Presbyterian Church at our Youth Program House. The address is 9401 South Tryon Street. Our program offers a variety of activities that include circle time, learning labs, centers, creative play, music, and physical fitness, while also incorporating fine and gross motor development. Classes will develop each child's self esteem and strong image of self-worth through learning and sharing in a fun structured environment.

We hope that you will join us in Fall 2020!

Sincerely,
Jasmine Young | Family Services Director

Ages Served

2.5-5 years as of August 31, 2020

Curriculum

Our play-based curriculum offers the opportunity for participants to learn fine and gross motor skills, socialization, and literacy skills. Our weekly curriculum features.

- Circle Time: Nursery Rhymes, Read Aloud, Songs, and Calendar (math skills, counting, and weather)
- Centers: Blocks, Dramatic Play, Art, Active Reading, Puzzles, Science, Writing (4 & 5 yr olds), and so much more!
- Multi-sensory experiences such as creative play, music, and make believe. Our lessons and activities also focus on letter recognition, and identifying shapes, colors, numbers, and more.
