

## 2019-20 Arts and Cooking Out of School Days

### Arts Out of School Days (K-5<sup>th</sup> grade)

Stay creative and engaged when school is out! Students work with professional teaching artists in theatre and visual art to gain foundational art skills and terminology while enhancing life skills such as self-expression, communication, team work, confidence, and much more. Theatre, art, creativity and silly day camp traditions combine to create memories, friends and fun!

#### Paint Party!

Here's your invitation to the most creative party around! Experience the creative possibilities by experimenting with water color, tempera and acrylic as images transform from the mind to paper.

Wednesday, October 9, 2019	9:00 am-4:00 pm	Morrison YMCA Art Studio
----------------------------	-----------------	--------------------------

#### Glow in the Dark Arts

Visual Art and Theatre combine in one of our most popular day camps! Experiment with art that can glow in the dark and bring silly, spooky Halloween character and stories to life on stage! Glow face paint, a glow dance party and other fun games round out the experience. Camp includes a 'black out room' so students can see their glowing creations. Let your artist 'shine'!

Monday, October 28, 2019	9:00 am-4:00 pm	Morrison YMCA Art Studio
--------------------------	-----------------	--------------------------

#### Fall into Art

Celebrate fall in paint and clay! Inspired by the colors and patterns of nature and led by a professional teaching artist, campers will create seasonal works of art.

\$65 member /\$80 non-member

Tuesday, November 5, 2019	9:00 am-4:00 pm	Morrison YMCA Art Studio
---------------------------	-----------------	--------------------------

#### Play in Clay

Explore the art of creating in clay! From slab work to hand building, young artists will mush and mold to make their mark! Nature art and painting will round out the experience for a day full of hands on creating.

### Cooking Out of School Days (K-5<sup>th</sup> grade)

Create in the kitchen with STEAM! Explore recipes through science, math, art and more. Participants work with a professional instructor in the fully-equipped teaching kitchen to cook and taste recipes that make learning and nutrition fun! Participants take home their artfully crafted recipe book at the end of the day to continue the fun in their own kitchen.
