SUMMER DAY CAMP SESSION DATES

JUNE 1 - AUGUST 28

SUMMER DAY CAMP SESSION TIMES

We know how busy parents can be! Dropping off and picking up your child on time can be a source of stress, but don't worry — we're flexible! Drop off your child as early as 7:30 AM and pick them up as late as 6:00 PM for additional playtime.

Please see the camp description for specific camp-based curriculum start and end times.

KEEPING CAMPERS SAFE

Because of our low staff-to-camper ratio, staff members are able to form close bonds with your camper — safety is our top priority. All camp staff are trained in CPR and First Aid. Our maximum ratios are:

1:8 for Preschool (2 years old)

1:10 for Preschool (3–5 years old) – 5th grade

1:12 for Rising 6th – 10th grade

WHERE THE FUN HAPPENS

PREMIUM SPECIALTY CAMPS

Take Summer Fun to the Next Level

With professionally-led programs and competition-level coaching, the Harris YMCA gives your camper the chance to experience a summer like never before. Kids will participate in activities that fuel their passions, choose from themed camp options and learn from Charlotte's leading specialty camp counselors and staff.

DANCE CAMPS

Give your child the chance to experience the illustrious Harris YMCA Dance Program this summer.

Boasting over 100 individual and team awards over 20 years, our dancers are truly transformed by the individual influence and expertise of our instructors.

As they glide across the dance floor in a purpose-built studio, dance campers feel the freedom of self-expression through graceful movement. The dance camp counselors use their experience from competing in high-level dance companies and college programs to diligently observe each dancer's movements. They provide encouragement and make valuable form adjustments to ensure every dancer becomes their best.

Whether your camper is a beginner or has been dancing their whole life, we meticulously plan day camp dance programs to develop every child.

GYMNASTICS CAMPS

Our gymnastics summer campers gain invaluable experiences in our state-of-the-art gymnastics center and receive instruction from USAG members and AAU state, regional and national champions.

For more than 20 years, the Harris YMCA Gymnastics Program has been a team of award and title-winning staff who lead campers in drills that improve skills in all four Olympic events. With each activity, passionate gymnastics day camp counselors provide progressive training on the vault, bars, beam and floor and refine techniques for your camper.

If your camper aspires to be an Olympian one day, wants to improve their strength, agility and balance for another sport or they simply want to try gymnastics for the first time, they'll find the perfect camp at the Harris YMCA.

SPORTS & FITNESS

During the summer, the sports fields at the Harris YMCA become a place of transformation for our sports campers.

Guided by qualified coaches, former Division 1 collegiate athletes, collegiate national champions and other skilled players, young athletes improve their individual skills and learn what it means to become a team.

The low sports counselor-per-camper ratio allows for thorough and productive one-on-one instruction for every camper as they work to improve their positional play, sports-specific skillset, physical strength, agility and stamina.

If your child wants to focus on becoming better at one sport or if they're still trying to find one that they love, we have amazing sports camps for everyone.

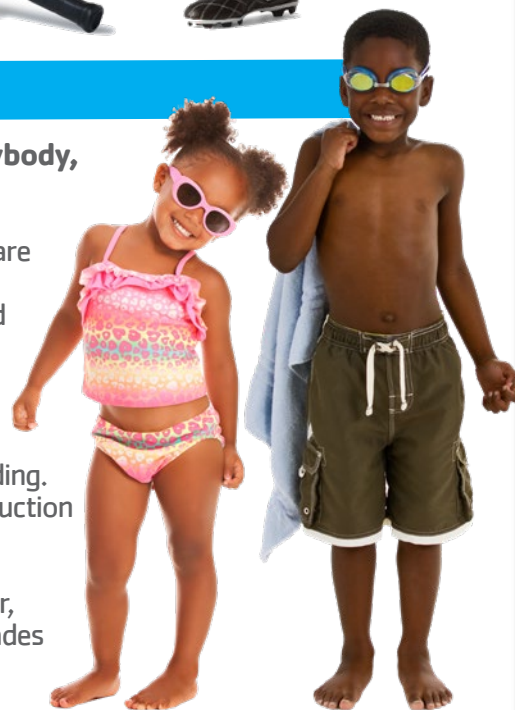

SWIM CAMPS

With more pools, splash pads and waterparks than anybody, no one does swim camp quite like the Y!

The sound of laughter and water splashing around the pool are the signature sounds of summer. The Harris YMCA Aquatics Program has taken this beloved summer pastime and created camps that amp up the fun.

Led by a team of instructors and counselors who have launched competitive swimmers into collegiate swimming, our swim camps incorporate the love of water with skill-building. Camp activities include stroke development, kayaking, introduction to scuba, triathlon training and aquatics games.

From beginner swimmers to kids who glide through the water, campers learn from positive swimming role models with decades of competitive swimming and coaching experience.
