FIRST CLASS INFO

Where will we go on the first day of class?

You can proceed through the family locker rooms and come out to the outdoor pool deck. There will be a swim lesson check in table set up under-neath a tent to sign in for lessons where you will update contact info and find out where the class will be held.

What do we bring to class?

You need to wear a proper swim suit and a towel. We encourage goggles after swimmers can put their face in the water and open their eyes. Any child that is not toilet trained must wear swim diapers and tight fitting plastic pants under their swim suit.

SESSION INFO

Can I make-up individual missed classes?

To maintain quality programming for all participants, individual missed classes may not be made up. This includes, but is not limited to, a child who has an illness, injury, vacation, or inclement weather. Special circumstances must have approval by the Aquatics Director, however it is not guaranteed that a make up lesson will be given.

Do I need to stay on the pool deck during my child's lesson?

Please stay on the pool deck if you are not comfortable with your child going to the bathroom alone or within the YMCA grounds during your child's swim lesson.

Refund Policy

If a request for a refund is made, our Association Standard is, 100% refund if cancellation occurs 24 hours before the start of the program. No refund will be given if a cancellation is made less than 24 hours before the start of the class, with special circumstances in mind.

ADDITIONAL INFORMATION

Do I need to stay on the pool deck during my child's lesson?

Please stay on the pool deck if you are not comfortable with your child going to the bathroom alone or within the YMCA grounds during your child's swim lesson.

How long will it take my child to pass a level?

Knowing that each child learns and progresses at a different rate, the levels are not designed to be passed in one session. Like dance or tae kwon do, many swimmers will continue in the same level for 2-6 sessions until they are able to master all of the skills. Please do not be discouraged if your child needs to repeat a level more than once. The instructors will continue to build skills in each session, and it's important that kids are in the level comparable to their skill-set, so that the classes are comprised of children with similar ability levels.

My child is not potty trained. What do you require them to wear for swim lessons?

Participants who are not fully potty trained must wear a disposable swim diaper, rubber pants with elastic around the legs and a swimming suit (all 3 garments need to be worn for class). Please have your child use the bathroom before entering the pool.

How do I know if my lesson is canceled?

We must close the pool and cancel lessons if there is contaminant in the pool, as well as thunder or lightning outside. If this happens during swim lessons, we will make up the lesson the following Friday at the regular scheduled time. *** During a thunderstorm we will make a decision 15 minutes prior to your lesson's start time regarding lesson cancellations. We will notify participants via email at the end of the night to inform them of the cancellation and the scheduled make up time.

If you are unsure of a class cancellation please call the Aquatic Hotline at 704 716 4674. If there is no update, then the pool is operating as usual.
