### **Lake Park Lower School: Grades K-4**

These classes are self-contained and students do not rotate classes.

---

#### **Kindergarten—Ages 5-6**

Our youngest learners explore music, art, PE, letters and phonemic awareness, counting, patterns, introduction to reading and math concepts while building confidence and teamwork. Staff partner with parents to provide scope and sequence for kindergarten. We encourage parents to read to their children each day, practice counting and math concepts, and review the weekly curriculum at home. Program is Monday and Wednesday with Thursday as an optional day. Students will receive a weekly checklist and parents are encouraged to support at home what is covered in class.

---

#### **1<sup>st</sup> Grade Ages 6-7**

#### **2<sup>nd</sup> Grade Ages 7-8**

Students will receive guided instructional time and also participate in hands on activities/games in grammar, math, phonics, reading, science, social studies/geography, Spanish, and spelling. Beginning the second semester, IEW style writing will be taught. Art, library, gym, outdoor, and structured and free play time will be included weekly during class. This class also places a strong emphasis on character development. Program is Monday and Wednesday with Thursday as an optional day. Students will receive a weekly checklist and parents are encouraged to support at home what is covered in class.

---

#### **Required Materials and Curriculum**

Teachers will send a welcome letter with curriculum.

---

#### **3<sup>rd</sup> Grade Ages 8-9**

#### **4<sup>th</sup> Grade Ages 9-10:**

This year students will work independently, in groups, and one-on-one with the teacher/teacher assistant out of their math books in class and at home. We will study writing, literature, science, and history using teacher selected curriculum and materials. This will be supplemented with unit studies in geography. Program is Monday and Wednesday with Thursday as an optional day for Explorers and Adventurers. Students will receive a weekly checklist and parents are encouraged to support at home what is covered in class. 4<sup>th</sup> grade students who attend on Thursday will join the rotating schedule to adjust to class rotation for next year.

**Required Textbooks:** Teachers will send a welcome letter in August with required materials and curriculum.
