

THANK YOU FOR MAKING YOUR FOOTPRINTS COUNT

Over 600 C2 participants battled ropes, climbed walls, crawled through sand and tarps, flipped tires, got soaked down the C2 water slide, and much more! Overcoming these obstacles was not only a personal accomplishment for many, but also allows the YMCA to continue providing safe and enriching youth programs, like Afterschool, Summer Camp, Preschool, and Youth Sports to under-resourced children in our community. A big thank you to all of our sponsors, vendors, and volunteers for supporting our participants on race day from start to finish. C2 footprints are truly making a difference in the lives of our youth and we appreciate everyone's involvement in making this our most impactful C2 event to date! If you would like to provide any feedback or share your C2 experience with us, we would love to hear from you!

Please email: SteeleCreekYC2@YMCACharlotte.org.

A big thank you to Start 2 Finish, our registration and timing partner, for being a part of this year's race.
