### Policies

- Scheduling is dependent on pool space and instructor availability.
- We reserve the right to charge your card on file, if payment is not received by the second lesson.
- All lessons will begin and end at the arranged scheduled time. Unless otherwise arranged, please meet your instructor on the pool deck at the "check in table". If you arrive late, that time will be subtracted from your lesson (for example: if you are 10 minutes late you will have a 20 minute lesson).
- Once lessons have been scheduled by the Senior Aquatics Staff, cancellations must be made at least 24 HOURS IN ADVANCE. Lessons cancelled within the 24 hours will be re-scheduled based on instructor availability and pool space. You will be charged for a "No Show" in the event you miss a lesson without appropriate notice to your instructor/senior aquatics staff.
- Parents are welcome to stay on the pool deck. You are welcome to wait for your swimmer in our lobby and watch through the windows. You must return promptly at the end of the lesson.
- Due to pool space, we do not schedule private/swim lessons during the time frame we have group lessons.
- At the end of the scheduled sessions, if you want to continue, please reach out to Brooke to register and pay for more private swim lessons. Lessons are not a rolling enrollment, your package is complete at the end of the proposed schedule.
